

EXPRESSION OF INTEREST (including Pre-Qualification Requirements)

Supply of Leased Engines for Hibernia

Reference: Project #056035

BIDS Categories: 4700

Issue Date: December 2nd, 2022

Closing Date: December 16th, 2022

Overview:

- ExxonMobil Canada Properties, by its managing partner ExxonMobil Canada Ltd. (EMCP) and Hibernia Management and Development Company Ltd. (HMDC) are in the process of pre-qualifying companies who can supply Leased Engines for their offshore Newfoundland and Labrador requirements.
- Supplier shall provide all management, personnel, processes, materials, tools, equipment, applicable certifications and facilities as may be required to ensure all equipment covered by this pending Agreement shall be fabricated and supplied to meet all statutory requirements, codes of practice and applicable specifications.
- The intention is to have this scope of work cover the requirements of the Hibernia Project*. For clarity, the scope of work includes not only the foregoing, but may include at EMCP and HMDC's discretion, future work related to minor changes to the scope of work described herein, in which EMCP and HMDC may engage onshore or offshore Newfoundland and Labrador, for oil and gas facilities.
- While not planned, it should be noted that the resulting RFP and Agreement may require inclusion of and/or extension to other operators in the area, project co-venturers, suppliers and/or affiliated companies.
- For work related to the Hibernia Project*, HMDC supports providing opportunities to Canadian, and, in particular, Newfoundland and Labrador companies and individuals, on a commercially competitive basis. Suppliers expressing interest in providing services or materials, if they are selected to bid, will be required to complete a Canada-Newfoundland and Labrador Benefits Questionnaire at the bid stage.
- Hibernia Management and Development Company Ltd. (HMDC) and ExxonMobil Canada Properties, by its managing partner ExxonMobil Canada Ltd. (EMCP), encourage the participation of members of designated groups (women; Indigenous Peoples; persons with disabilities; and members of visible minorities) and corporations or cooperatives owned by them, in the supply of goods and services.

Supplier Diversity

Diverse Ownership (Completion of this section is voluntary)

A Diverse supplier is a business that is at least 51 % owned and controlled by a member(s) of one or more of the designated groups identified below. Please indicate which of the following designated group(s) are applicable to your business:

- Women
- Indigenous Peoples
- Visible Minorities
- Persons with disabilities
- LGBT+

Certification for Diverse Businesses

There are currently national certifying organizations that cover certification for businesses owned by:

- Indigenous Peoples
- Visible Minorities
- Women
- LGBT+

The Projects will continue to look for organizations that can provide certification support to businesses owned by persons with disabilities.

Template Updated July 2022

Page 1 of 4

If you indicated that your business is owned by a member of a designated group, are you currently certified as a diverse-owned business?

Yes No

Through which certifying organization is your business certified? _____

If you are a NL registered business and are not currently certified, would you be interested in learning more about certification? Yes No

Scope of Work Overview:

The scope of work/supply includes, but is not limited to:

- Supply of lease LM2500 SAC 6 pack LPT Model 7LM2500-PE-MDG20. Provide units onsite for offshore use within 72 hours from request/365 days a year. Maintain 4 minimum offshore qualified OEM trained field service representatives to install the leased assets.
- Supply of mid-long term lease options for LM 2500 SAC 6 pack LPT Model 7LM2500-PE-MDG20 assets with hourly usage rates to support offshore gas compression and power generation units.
- Provide lease LM 2500 SAC 6 pack LPT Model 7LM2500-PE-MDG20 standby unit as requested for contingency onsite support for planned outages.

Additionally, the selected supplier will be required to meet all technical and Safety, Security, Health, and Environmental (SSHE) specifications and safe work practices of EMCP, HMDC, and their affiliates as appropriate.

Minimum Technical Requirements

- Must be on GE OEM compliant approved vendors list and provided all OEM certified parts and components.
- Must have OEM trained staff capable of travelling offshore to the Hibernia platform.

Submission Requirements

Supplier submissions in response to this Expression of Interest (including pre-qualification) **must** include the afore-mentioned reference number, as well as the following information:

1. Completed EMCP / HMDC SSHE pre-qualification questionnaire. (Available through BIDS – see contact information below.)
2. Completed EMCP / HMDC QA/QC pre-qualification questionnaire. (Available through BIDS-see contact information below.)
3. Information demonstrating qualification for the Scope of Work detailed above.
4. Information demonstrating vendor can meet minimum technical requirements detailed above
5. Describe your experience operating under and familiarity with, the benefits provisions of the Canada-Newfoundland and Labrador Atlantic Accord Implementation Act and your experience with any similar regimes in other parts of Canada or internationally. At the NRFP/ITT stage, bidders will be required to indicate how they comply with the above.

6. Please acknowledge that responsible management personnel have read, understand and will support requirements to comply with the following where applicable
 - i. Section 45 of the Canada-Newfoundland and Labrador Atlantic Accord Implementation Act
 - ii. The Hibernia Benefits Plan, the HSE Benefits Agreement and HSE Benefits Plan
7. Submitted information is to be provided in separate PDF (or native file) submissions and not submitted as one combined file. Please be aware that Company is limited to a 10MB file size for receiving e-mail. Should the file size exceed 10MB, please contact the Contracts Manager identified below to have FileShare setup for your use.
8. EOI / NRFP contact details for respondent, including the following:
 - i. Full legal company name
 - ii. Mailing address and physical address (if different)
 - iii. Contact name, position, email and phone number

The data submitted will be used to do a preliminary evaluation of your company's ability to perform these services. Additional evaluation in the form of a prequalification should be anticipated in advance of EMCP and HMDC finalizing a bidders' list.

The data submitted in response to the aforementioned questionnaires will be used to evaluate your company's ability (and those of your preferred sub-contractors / suppliers where applicable) to perform these services or provide these materials.

It will focus primarily on:

- Past safety performance
- Available equipment with proven performance
- Current capacity
- Personnel qualifications

We will evaluate this data and develop a final list of suppliers who will be asked to submit formal competitive bids. We reserve the right to make the final determination of which suppliers will receive the Non-Binding Request for Proposals (NRFP) or Invitation to Tender (ITT) and which suppliers will be awarded the final agreement.

This Expression of Interest (including pre-qualification) is not a pre-qualification of suppliers for other EMCP / HMDC work, but is limited to the scope aforementioned. In addition, participation in this Expression of Interest (including pre-qualification), including any statements whether oral or written between EMCP / HMDC and your company, shall not create or be deemed to create any binding legal relationship or contract, or be construed to do so between EMCP / HMDC and your company. All costs associated with the preparation of your response to this expression of interest shall be at your expense.

This Expression of Interest (including pre-qualification) may or may not result in the issuance of an RFP/ITT and may or may not result in the award of an agreement. If you respond to this Expression of Interest (including pre-qualification) and your company is selected to be on the bidders' list, your company name, your designated company representative's name and business contact information may be posted on public websites. Similarly, if you are selected for award, the same information may also be posted, indicating that the work has been awarded to your company.

* It should be assumed that the Hibernia Project includes, but is not limited to, current and planned Hibernia and Hibernia Southern Extension operations as well as future development on behalf of Hibernia (operated by Hibernia Management and Development Company Ltd.) and/or Hibernia Southern Extension participants

Responses must be submitted electronically by the closing date to the e-mail address noted below:
