

## **EXPRESSION OF INTEREST (including Pre-Qualification Requirements)**

### **Supply of an Offshore Support Vessel for a Short-Term Requirement**

Reference: Project #063526

BIDS Categories: 9305

Issue Date: October 6<sup>th</sup>, 2023

Closing Date: October 12<sup>th</sup>, 2023

---

#### **Overview:**

- Hibernia Management and Development Company Ltd. (HMDC) is in the process of pre-qualifying companies who can supply an Offshore Support Vessel for a short-term requirement for their offshore Newfoundland and Labrador requirements.
- Supplier shall provide all management, personnel, processes, materials, tools, equipment, applicable certifications and facilities as may be required to ensure all equipment covered by this pending Agreement shall be fabricated and supplied to meet all statutory requirements, codes of practice and applicable specifications.
- The intention is to have this scope of work cover the requirements of the Hibernia Project\*. For clarity, the scope of work includes not only the foregoing, but may include at HMDC's discretion, future work related to minor changes to the scope of work described herein, in which HMDC may engage onshore or offshore Newfoundland and Labrador, for oil and gas facilities as well as exploration or subsea related activities.
- While not planned, it should be noted that the resulting RFP and Agreement may require inclusion of and/or extension to other operators in the area, project co-venturers, suppliers and/or affiliated companies.
- For work related to the Hibernia Project\*, HMDC supports providing opportunities to Canadian, and, in particular, Newfoundland and Labrador companies and individuals, on a commercially competitive basis. Suppliers expressing interest in providing services or materials, if they are selected to bid, will be required to complete a Canada-Newfoundland and Labrador Benefits Questionnaire at the bid stage.
- Hibernia Management and Development Company Ltd. (HMDC) encourages the participation of members of designated groups (women; Indigenous Peoples; persons with disabilities; and members of visible minorities) and corporations or cooperatives owned by them, in the supply of goods and services.

#### **Supplier Diversity**

##### **Diverse Ownership (Completion of this section is voluntary)**

A Diverse supplier is a business that is at least 51 % owned and controlled by a member(s) of one or more of the designated groups identified below. Please indicate which of the following designated group(s) are applicable to your business:

- Women
- Indigenous Peoples
- Visible Minorities
- Persons with disabilities
- LGBT+

##### **Certification for Diverse Businesses**

There are currently national certifying organizations that cover certification for businesses owned by:

- Indigenous Peoples
- Visible Minorities
- Women
- LGBT+

The Projects will continue to look for organizations that can provide certification support to businesses owned by persons with disabilities.

If you indicated that your business is owned by a member of a designated group, are you currently certified as a diverse-owned business?

Yes  No

Through which certifying organization is your business certified? \_\_\_\_\_

If you are a NL registered business and are not currently certified, would you be interested in learning more about certification?  Yes  No

The Hebron Project has a vendor database that is used to identify possible suppliers and contractors to participate in the project. Suppliers and contractors are encouraged to register.

ExxonMobil Canada Properties by its managing partner ExxonMobil Canada Ltd., operator of the Hebron Project, sees value in expanding use of the database to the Hibernia and Hibernia Southern Extension projects, exploration, subsea activities and project co-venturers should they request information. The increased visibility to across projects and other noted industry participants may be of value to your organization as it has the potential to increase future procurement opportunities.

DISCLAIMER: By registering your company in the vendor database, you are consenting to making your information available to the parties noted above.

NOTE:

Registration in the database does not imply that a supplier is approved as a qualified supplier, nor does it indicate that a vendor is included on any Non-Binding Request for Proposal (NRFP) or bid list for the supply of goods or services for which it has registered.

### **Scope of Work Overview:**

The scope of work/supply includes, but is not limited to:

- One (1) Offshore Support Vessel to support ongoing offshore operations at the Hibernia platform for two (2) to three (3) weeks in November 2023. Key vessel functions will include but may not be limited to:
  - Installation emergency stand-by
  - Re-supply
  - Passenger Transport
  - Ice Management
  - Emergency Towing

Additionally, the selected supplier will be required to meet all technical and Safety, Security, Health, and Environmental (SSHE) specifications and safe work practices of HMDC and its affiliates as appropriate.

### **Minimum Technical Requirements**

- DP2
- Ice Class 1C
- FIFI 1
- Liquid and dry bulk transfer and storage capabilities
- Passenger capacity of 25-45
- 500-850 sq m of deck space
- Calibrated fuel meter within the last 3 years

- Current OVID (less than 1 year)
- AOSH compliant
- CWS seabird and marine mammal compliant
- Certified for installation stand-by – fitted with all required equipment (including Dacon scoop)
- Vessel(s) must fully comply with all Transport Canada, IMO, Vessel Class requirements, and the Atlantic Canada Standby Vessel Guidelines.
- Current Atlantic Canada Standby Vessel (AC-SBV) Document of Compliance for complement of 300

Note: Final vessel technical specifications may be subject to revision by Charterer.

### **Submission Requirements**

Supplier submissions in response to this Expression of Interest (including pre-qualification) **must** include the afore-mentioned reference number, as well as the following information:

1. Completed HMDC SSHE pre-qualification questionnaire. (Available through BIDS – see contact information below.)
2. Completed HMDC QA/QC pre-qualification questionnaire. (Available through BIDS-see contact information below.)
3. Information demonstrating qualification for the Scope of Work detailed above.
4. Information demonstrating vendor can meet minimum technical requirements detailed above.
5. Describe your experience operating under and familiarity with, the benefits provisions of the Canada-Newfoundland and Labrador Atlantic Accord Implementation Act and your experience with any similar regimes in other parts of Canada or internationally. At the NRFP/ITT stage, bidders will be required to indicate how they comply with the above.
6. Please acknowledge that responsible management personnel have read, understand and will support requirements to comply with the following where applicable
  - i. Section 45 of the Canada-Newfoundland and Labrador Atlantic Accord Implementation Act
  - ii. The Hibernia Benefits Plan, the HSE Benefits Agreement and HSE Benefits Plan
7. Submitted information is to be provided in separate PDF (or native file) submissions and not submitted as one combined file. Please be aware that Company is limited to a 10MB file size for receiving e-mail. Should the file size exceed 10MB, please contact the Contracts Manager identified below to have ShareFile setup for your use.
8. EOI / NRFP contact details for respondent, including the following:
  - i. Full legal company name
  - ii. Mailing address and physical address (if different)
  - iii. Contact name, position, email and phone number

The data submitted in response to the aforementioned questionnaires will be used to evaluate your company's ability (and those of your preferred sub-contractors / suppliers where applicable) to perform these services or provide these materials.

It will focus primarily on:

- Past safety performance
- Applicable experiences
- Available technologies with proven performance
- Current capability
- Work-load
- Personnel qualifications

We will evaluate this data and develop a final list of suppliers who will be asked to submit formal competitive bids. We reserve the right to make the final determination of which suppliers will receive the Non-Binding Request for Proposals (NRFP) or Invitation to Tender (ITT) and which suppliers will be awarded the final agreement.

This Expression of Interest (including pre-qualification) is not a pre-qualification of suppliers for other HMDC work, but is limited to the scope aforementioned. In addition, participation in this Expression of Interest (including pre-qualification), including any statements whether oral or written between HMDC and your company, shall not create or be deemed to create any binding legal relationship or contract, or be construed to do so between HMDC and your company. All costs associated with the preparation of your response to this expression of interest shall be at your expense.

This Expression of Interest (including pre-qualification) may or may not result in the issuance of an RFP/ITT and may or may not result in the award of an agreement. If you respond to this Expression of Interest (including pre-qualification) and your company is selected to be on the bidders' list, your company name, your designated company representative's name and business contact information may be posted on public websites. Similarly, if you are selected for award, the same information may also be posted, indicating that the work has been awarded to your company.

\* It should be assumed that the Hibernia Project includes, but is not limited to, current and planned Hibernia and Hibernia Southern Extension operations as well as future development on behalf of Hibernia (operated by Hibernia Management and Development Company Ltd.) and/or Hibernia Southern Extension participants (operated by ExxonMobil Canada Properties).

**Responses must be submitted electronically by the closing date to the e-mail address noted below:**
